

Do you enjoy people and a secluded forest setting?

Spend some time with us in the heart of the Hiawatha National Forest at Clear Lake Education Center and see why youth and adults alike can't get enough.

Clear Lake Education Center has school seasons that usually run late-April to early-June and mid-September to early-November.

Expectations of Volunteers :

- Pleasant, dependable, reliable
- Physically able to work in a variety of outdoor settings
- Provide atmosphere of welcome
- Model healthy attitudes and behaviors, especially toward education

Benefits of Volunteering:

- Week of on-site training
- Housing available in commonly shared 'educators' cabin
- Free laundry on-site
- Work with other fun-loving folks
- Learn while you work
- Designated weekend of free camp use
- Close to recreation on Hiawatha National Forest, Pictured Rocks National Lakeshore, Seney National Wildlife Refuge

Volunteer Opportunities :

Education Center:

- education programs
- high ropes course facilitators
- living history interpreters
- office help
- certified medical personnel
