

Clear Lake Rental Visit Checklist:

- Personal:**
- Bedding** – sleeping bag or sheets and blankets; pillow
 - Clothing** – weather changes quickly in the area; layered clothing works best; don't forget rain gear and warm clothes.
 - Toiletries** – towel, washcloth, other necessities for cleaning up
 - Comfort** – insect repellent, sunblock, reusable water bottle
- Group:**
- Food** – keep in mind that you must supply all seasoning and storage needs, and that all food must be kept in the dining hall, in closed containers, to prevent pests from getting into it; **no food may be kept in cabins.**
 - Camp cook** - may want to bring specialized kitchen tools, CLEC kitchen has only basic kitchen utensils and commercial-sized pots, pans, and baking sheets. Dishes and silverware are sufficient to serve **approximately 100.**
 - Necessities** – kitchen and bathroom cleaning products, garbage bags, toilet paper, paper towels, napkins. Any towels or washcloths desired are supplied by the renter as well.
 - Entertainment** – games, books, puzzles, outdoor games and activities, musical instruments – anything that makes hanging out together more fun
 - Bicycles** – are a fun way to get around camp; may be ridden on trails and in the fields only
 - First Aid/Medical Necessities** – whatever you would take with you camping or on a trip to care for your group – medical facilities are approximately 30 miles away.
 - PFDs** – Clear Lake supplies PFDs with the use of the canoes; however, if you are not of average size or have a specific style you prefer, you should bring one along
 - Grill/Grilling Supplies** – to be used only in Dining Hall/picnic table area or at fire pit.
 - Lawn Chairs** – we have benches, but for some it's nice to have an outdoor chair with a back and arms to relax in.
 - Cameras, Binoculars, Day Packs, Flashlights** – some might enjoy walking around the lake or about camp to view birds and animals.

Please do not bring in any firewood, ATVs, jet skis, boats with motors over 10hp, alcohol, drugs, or weapons. Be mindful of the fact that your group is enjoying the National Forest and use Leave No Trace practices (please note – while not all practices may apply to your visit, they are good to know and use elsewhere, too). A link to the Leave No Trace page can be found on our website (www.clearlakeinfo.org).
